

WHAT IS A LIFE PLAN COMMUNITY?

A Life Plan Community or CCRC is a senior living setting that offers independent living supported by several layers of healthcare- all on one campus!

At Rose Villa, we believe you are the only person who really knows what makes your life worth living. The fundamental principle here is to support each individual to live the life they choose, not choose that life for you. We foster the power of community to make each individual in it stronger, braver, and more independent. It's a little crazy, isn't it? Our deep foundation of interdependence calls forth the singular strength and unique abilities of each person who contributes to it.

Welcome to the neighborhood.

Independent Living - At Rose Villa, our mission is to make your best life possible. What does that mean? It means living life your way, on your terms. It means a change in address – not a change in your lifestyle. It's the life you desire at a pace you decide – within and

beyond our lush, 22-acre campus. It's simple: at Rose Villa, you can live life to the fullest, surrounded by a community of friends, amenities and luxuries. This is your time, your place, your terms.

WHAT IS SUPPORTIVE LIVING?

Madrona Grove Supportive Living At Rose Villa - At Madrona Grove, our licensed Intermediate Care Facility (NF-ICF), licensed nurses and certified nursing assistants

provide 24-hour care on both a long-term residential basis and for short-term stays to recuperate. This is more than just a place where people receive nursing services, it is home. We strive to ensure our residents maintain their dignity, are supported to live comfortably, are afforded the opportunity to participate in a wide array of activities and classes. We also plan regular outings to regional attractions, including the Rainbow Trout Farm and Portland's famous food carts. Each room may be furnished and designed with the resident's own furnishings, and the cozy common areas provide ample and enjoyable space for visitors and resident activities.

Avencia Home Care By Rose Villa - Your independence matters! We often hear that this is "the most compelling amenity we offer."

Unlike communities that make you move when you need a little more assistance, Rose Villa will bring the licensed, in-home care services you need, when you need them, and where you want them most: in the privacy of your home. This innovative approach empowers you to work one-to-one with staff to create your ideal care schedule, and encourages strong connections between residents and staff that are a hallmark of this community.

Commitment

WHY CHOOSE A NOT-FOR-PROFIT LIFE PLAN COMMUNITY OVER A FOR-PROFIT MONTH TO MONTH COMMUNITY?

Peace Of Mind - Your Membership Agreement with Rose Villa creates a partnership for the rest of your life. Regardless of financial changes, we provide for your future needs. There are no more worries about caring for your house or yard maintenance. You eliminate the worry of crisis decision making because you are planning ahead.

Community - You keep your friends and neighbors. Rose Villa does not require you to move as you age. Your quality of life is more important than corporate efficiency. Just because your health needs change, why should your neighbors?

Commitment - Rose Villa reinvests in the community. As a 501c3 corporation, our Board of Directors is local, involved, and never compensated financially. Earnings are reinvested to improve services and amenities. For-profit communities do not offer a financial safety net for you; eviction is

a reality for many people who outlive their resources as their healthcare needs change.

Rose Villa Foundation - Established in 1962, the Rose Villa Foundation underpins the promise of lifetime financial stability, education, and enrichment. As a resident of Rose Villa, we partner with you to ensure that you are afforded the financial and emotional support necessary to protect your residency and your future... and to always live life your way.

Lifestyle - Living your life the way you want to means having options from which to choose. Partner with us to create new opportunities for yourself and your community! From a state-of-the-art Wellness Center with a saline pool to our diverse array of educational and cultural classes, there are many possibilities for your continued growth and enjoyment of life.

LIFESTYLE

Rose Villa residents are doers by nature. And that doesn't stop once they get here. (That's not to say it's all go-go-go around here. We love to relax, take a break and enjoy downtime together. Privacy and quiet solitude are a great complement to a deep circle of friends.)

The point is, you'll find balance here. A holistic approach to life. Opportunities and choices—on campus, and off. No fears that you can't keep up—or that you'll be sitting around in retirement. You set your pace. You decide for yourself. You are in charge.

The time is now to say yes to your best life!

RESIDENCY AT ROSE VILLA PROVIDES MEMBERSHIP TO THE ROSE VILLA RESIDENTS ASSOCIATION

The Council Chair, Vice Chair, Immediate Past Chair, and nine Councilors manage the affairs of the Association. The Councilors support groups and activities of specific interest to members of the Association. Each Councilor is also responsible for a particular theme.

CURRENT COUNCIL THEMES:

HEIRLOOM GARDEN INSPIRED CUISINE

Heirloom offers a warm and inviting full-service dining experience open to both Rose Villa residents and the public.

A weekday breakfast and Sunday Brunch focused Restaurant, the food at Heirloom is “garden inspired” cuisine not because we only serve vegetables, but because we let our own, on-premise garden influence the menu. Menu items routinely feature something special grown in our garden, year-round. In addition, we partner with local farmers and ranchers and shop local farmers’ markets, to feature unique ingredients for which the Pacific Northwest is known.

Heirloom features Sunday Brunch cocktails such as Chicago style Bloody Mary’s with a beer back and fresh juice in Mimosa’s. Non-alcoholic specials are also featured. Unlike other Portland brunch restaurants, we take reservations! Walk-ins are welcome too!

All of the food at Heirloom is made-from-scratch, using high quality ingredients. We focus on cooking the old-fashioned way: use fresh, wholesome products and let the quality of the food speak for itself while spotlighting the legendary cuisine of our chef, Kathryn Yeomans.
